### **BODYBALANCE**

Breathing control and a range of movements and motion set to music that will improve your mind, body and life. Bending and stretching through safe and simple yoga moves, a BODYBALANCE class blends elements of Yoga, Tai Chi and Pilates to strengthen your entire body.

### **BODYCOMBAT**

A high energy martial-inspired workout. You'll punch and kick your way to superior fitness and strength. Non-contact and there are no complex moves to master. You'll be challenged to up the intensity and motivated to make the most of every round. You'll release stress, have a blast and feel like a champ.

### **BODYPUMP**

A weights class for absolutely everyone. This form of weight training will make you toned, lean and fit. Using light to moderate weights with lots of repetition (reps), BODYPUMP gives you a total body workout that burns lots of calories. It'll also tone and shape your body, without adding bulky muscles. EXP: 30 minute class.

### **BODYVIVE**

Step into a BODYVIVE class and you'll tick off a complete workout. The challenging mix of lunges, squats, running and tubing exercises will help you burn calories and take your fitness to the next level. You'll leave fizzing with energy and on track for all-around healthy living.

### **BOXING**

Boxing offers a superior cardiovascular workout; burning more calories, building stamina, developing and toning muscles. Using focus mitts and boxing gloves, you will be challenged physically, while learning correct technique and accuracy. Equipment provided, but bringing your own gloves is recommended.

### **CARDIO COMBO**

Cardiovascular conditioning combined with strength training. The best way to burn calories while maintaining lean body mass. You can achieve your fitness goals by boosting metabolism and improving the health of your heart and lungs. EXP: 30 minute class.

### **FREESTYLE STEP**

A great cardiovascular workout—stepping up, down and all around your step. Easy to follow combinations. STEP IT UP! Beginner and Open classes available. EXP: 30 minute class.

### **PILATES (MAT)**

Long lean muscles and a strong core are the main benefits from this class. Challenging and strengthening the upper body and the midsection, with little impact to the joints. Suitable for first timers and advanced participants.

### **PILATES REFORMER BEGINNER**

In this 55 minute class you will learn the fundamental exercises and the principles of the Pilates method. The exercises will be broken down as they are taught; ensuring you learn proper technique and the slightly smooth pace will give you confidence to execute the movements safely. This type of class is suitable for people new to Pilates and also to those with experience but are looking to brush up on their technique.

### **PILATES REFORMER INTERMEDIATE**

This 55 minute class builds on the fundamental skills learned from the beginner class; here you will learn more complex exercises that will deepen your understanding of Pilates and movement. The pace is faster and offers a more flowing type of workout that will help you build strength and stamina. Those wanting to join this class will need to have done at least 10 beginner classes or have approval from the Pilates teacher in charge of the class.

### **PILATES REFORMER ADVANCED**

If you are experienced at the intermediate level and are now looking for more of a challenge, the 55 minute, advanced classes are designed to deliver a higher level of intensity, at a faster pace.

### **POWER CIRCUIT**

More than the boring circuit class you may know. We incorporate power ropes, slosh balls, weights and more to bring you a more dynamic high intensity workout. This is a tough session designed for those looking for a challenge. This class is strongly recommended for both men and women and all levels of fitness.

### **ROAD RIDE**

Sprint intervals and challenging climbs. Wildly, inspiring cardio training that keeps you coming back to the bike for more. Your coach will recreate the challenges of a pack road ride. This class is highly addictive class.

### **RPM**

RPM is the indoor cycling routine workout where you ride to the rhythm of powerful music. Take on the terrain with your inspiring team coach who leads the pack through hills, flats, mountain peaks, time trials, and interval training. Discover your athlete within—sweat and burn to reach your endorphin high.

### **SH'BAM**

A fun-loving, insanely addictive dance workout. SH'BAM is an ego-free zone—no dance experience required. Just bring a playful attitude, an open mind and a cheeky smile. Your instructor will guide you through simple (yet sassy) dance moves, all set to a party playlist.

### **SH'BAM FF**

Family friendly class, bring your family for free! Family members must be accompanied by a member of SPHC. Ages 5+

### **SPRINT**

A 30-minute High-Intensity Interval Training (HIIT) workout using an indoor bike to achieve rapid results with minimum joint impact. The short duration of a LES MILLS SPRINT workout will motivate you to push your physical and mental limits. It features bursts of intensity where you work as hard as possible, followed by periods of rest that prepare you for the next effort. The payoff is you will smash your fitness goals and burn calories for hours after each workout.

### **TABATA**

Training is a type of HIIT (High Intensity Interval Training) that follows the format: 20 seconds of high intensity exercise, followed by 10 seconds rest. This 45 minute class will have you gasping for air, getting you fitter faster. We also have cardio and strength focused classes available.

### **YOGA FLOW**

Yoga Flow is an open class that links yoga poses to breath and music. The sequencing produces strength, flexibility, balance and focus, releasing your stresses and detoxifying your body, mind and spirit.

### **YOGA HATHA**

A great introduction to Yoga. This a gentle type of Yoga. Focusing on meditation, breathing and holding the poses for longer periods of time.

### **YOGA STRENGTH**

Strength Yoga is an all levels class that uses poses to help you build strength and muscle tone using just your own body weight. This class allows you to hold poses for a longer period of time to help build your strength and stamina. You will feel the results from this class after just one session.

### **YOGA YIN**

The essence of Yin Yoga is to surrender, bringing balance to your practice and your life. A strong focus on using the breath and grounding postures to lengthen fascia tissues surrounding the hips, spine, chest and shoulders. It re-energises and calms your nervous system. The perfect way to release the tension and stress from the day.

### **ZUMBA**

The Zumba program—Makes fitness fun with Latin dance rhythms and a blend of classic songs, easy-to-follow moves will create a fun experience.
